### -Specialty vehical

### - HVAC equipment and spare parts

### -Industrial chemistry

### -Telecommunication system

**As from the date of founding of our company, we successfully completed more than 200 contracts for the major oil and gas operators, among them call off contracts, some of them are open nowadays. Also we are invited in big budget projects.**

**For the correct contract execution we are developed HSE (health safety and environment) program, and the insurance of goods are strict requirments.**

**We signed the contracts for the domestic and international logistics, customs clearance services, equipment verification, conformity and warehousing.**

KPO b.v. and Zhaikmunai are not only our important clients, they contribute not only to the development of our company, but contribute state economy and education of next generation by implementing our social project cooperating with us.

**Our main purpose is to  
become an indispensable  
partner in the implementation  
of your projects!**
